Bass River Twp

^{*}Purpose for Amount A2:

| Program | Amount |
|--|--------|
| Projected SEMI Reimbursement Revenue: | 0 |
| Estimated Medicaid Eligible/Special Education Student Count: | 0 |
| District has approved waiver: | No |
| 90% of Projected SEMI Reimbursement Revenue: | 0 |
| Phase-in plan for maximizing parental consent was prepared by the district: | No |
| Reimbursement revenue reduction analysis was prepared by district: | No |
| Districts may budget more than the 90% projected amount; if 'Yes' here then district budgeted more and entered this amount on the next line below. | No |
| Alternate Reimbursement Revenue Projection: | 0 |
| Entry above for waiver or alternative reimbursement revenue projection has been reviewed and approved by ECS or ECBO: | No |

District Status Above, At, or Below Expected Local Levy

| Line | Name | Amount | Description |
|------|--|-----------|---|
| Α | 2021-22 General Fund Levy | 1,106,885 | |
| В | Equalization Aid | 459,743 | |
| С | Total Budgeted Adequacy Spending (A + B) | 1,566,628 | |
| D | District Adequacy Budget | 966,402 | |
| Е | Excess Amount (C - D) | 600,226 | |
| | Status | 0 | The proposed budget exceeds the expected local levy |
| | Explanation (only if Line E is positive) | 0 | In an effort to balance the 19-20 school district budget, Bass River SD entered into a send/receive agreement with the Little Egg Harbor School District. While the Bass River SD no longer has students attending their schools, they do pay for their resident pupils to attend LEHSD on a tuition basis. This tuition cost and the cost of maintaining the BRSD school building is the reason for the proposed budget to exceed the expected local tax levy. |

| Line | Name | Amount |

| Name | Description |
|---|---|
| Maintain Our School System | At the conclusion of the 2019-2020 school year the Bass River School District became a non-operating District. The Board of Education entered into a send/receive agreement with Little EggHarbor School District for Bass River; s pre-k through sixth grade students to attend Little Egg schools. All former Bass River certified teaching staff now work for the Little Egg Harbor School District. High School age students will continue to attend Pinelands Regional. |
| Raising Standards and Expanding Opportunities | Bass River students attend Little Egg Harbor Schools. Little Egg will continue to provide professional development and provide leveled reading materials needed to establish learning opportunities for all students including gifted and talented, special needs, ESL, and socio-economically disadvantaged. Continue to provide the instructional resources needed to meet ESSA, address academic deficiencies as identified by student achievement data and focus on measures to improve chronic absenteeism. Additionally, we will be exploring ways to incorporate diverse literature that incorporates themes and characters representative of the world beyond our community. Due to the Covid-19 pandemic, our district provided all students with the opportunity to obtain a hot spot and are 1:1 with chromebooks to ensure students can access their education in a virtual environment. Our District will continue to provide a Gifted and Talented program with whole-class enrichment opportunities in grades K-1, as well as pull-out instruction for identified students in 3-6. Our GT teacher also provides schoolwide opportunities for all students. These activities include Book Clubs, Math Club, Continental Math League, Spelling Bee, Living Museum, Poetry Slam, and an Inventor's Fair. Our District will maintain our visual and performing art programs that include instrumental and dance instruction, as well as various band/choral opportunities. |
| Building Professionalism | Professional development funding has been allocated that focuses on personalized learning opportunities for our staff and students. Job-embedded professional development will be available through our instructional coaches, lead teachers, and intervention team. Teachers and staff will focus on utilizing small-group instructional opportunities to meet the needs of all students with differentiated instruction, skill-based lessons, and common formative and benchmark assessments that inform instruction. In addition to our mandated training, teachers will receive professional development in the Danielson Framework for Teaching, Social-Emotional Standards, Distance Learning Strategies for asynchronous and synchronous instruction, Gifted & Talented Professional Development, and effective use of instructional technology. Furthermore, in response to the Covid-19 pandemic, an Instructional Technology Coach position was added to support the teachers in Grades K-6. |
| Protecting Our Investment | The district will continue to maintain the Bass River Elementary School as it explores options for the building is future. Funds to conduct routine maintenance and capital improvements will be allocated through Capital Reserve, Maintenance Reserve and the general fund budget. |
| Planning for the Future | Bass River students attend Little Egg Harbor Schools. The Little Egg Harbor School District is prioritizing funding to ensure our facilities are maintained and our students are equipped to be 21st Century learners. Funds will be allocated to sustain and maintain our 1:1 Chromebook initiative for all students. We also will plan to provide a hotspot for any student in need of stable and reliable Internet access. Our district has been able to provide touchscreen chromebooks to our K-2 population. Our technology infrastructure will be updated to increase bandwidth, enhance connectivity, and improve Wi-Fi by adding additional access points throughout the District. We continue to support smaller class sizes in the primary grades and departmentalized classrooms in the intermediate grades. We continue to use data-driven PLCs to analyze student data, address learning gaps, and inform standard-based instruction. |

| Name | Description |
|-----------------------------|--|
| Mathematics | Bass River students attend Little Egg Harbor Schools. In Little Egg Harbor, Houghton-Mifflin Harcourt¿s Into Math has been adopted this school year and both digital and consumable resources are included. We continue to place a heavy emphasis on the Mathematical Practices, connections to NGSS, and digital simulations via Explore Learning¿s Gizmos. Teachers receive professional development in regards to Into Math, the Math Workshop model, Guided Math, and Number Talks. Teachers have been equipped with several supplemental resources to enhance their instruction, including Happy Numbers, Reflex Math, and Gizmos. By utilizing Edmentum Exact Path and the LinkIt Diagnostic Assessment, teachers are able to view areas of strength and weakness to continue scaffolding their standards-based instruction. The goal is to bridge the learning gaps that exist due to the COVID-19 school closures. Teachers in K-6 continue to meet annually to revise the curriculum to incorporate instructional best practices and effective technology integration. The district utilizes the Math Coach to assist teachers in their classrooms and provide job-embedded professional development to the staff. Teachers have been very receptive to working with our coach and utilize her expertise to form small-groups and use data to inform instruction. Lastly, our sixth-grade students continue to participate in Financial Literacy instruction during their STEAM period. Throughout the school year, students are exposed to the financial responsibilities and limitations of being an entrepreneur, concluding with a trimester of project-based investigations with a career focus. |
| Science | Bass River students attend Little Egg Harbor Schools. In Little Egg Harbor these past three school years, we implemented Amplify Science for our K-5 classrooms. Our sixth-grade classrooms used IQWST. Teachers in all grades received professional development in these programs, as well as job-embedded professional development from our District Science Coaches. Science Coaches have assisted our teachers with implementation and planning. Throughout the year, our science coaches participated in articulation meetings with our science consultant and district administration. In addition to daily science instruction, students also receive weekly STEAM instruction to further explore engineering topics and themes. Our Science curriculum has been updated to reflect the new NJSLS and our STEAM curriculum was created for Grades 3-6. During the Summer of 2021, our Media Specialist and STEAM teacher will collaborate with our Instructional Technology Coach to create the K-2 STEAM curriculum. Finally, the district has purchased Newsela as an instructional resource to integrate relevant Science nonfiction text types into the instructional block. |
| English Language Arts | Bass River students attend Little Egg Harbor Schools. In Little Egg Harbor during the 2021-2021 school year, our focus continues to be on implementing explicit, targeted small-group instruction to our students. Teachers will continue to analyze data in order to provide our students with targeted interventions. Teachers will receive ongoing professional development from our district Literacy Coach and BSI teachers. Currently, Grades K-3 teachers are using Fundations for their whole-group phonics instruction and continue to implement Schoolwide Reading and Writing Fundamentals in order to complete our Balanced Literacy block. Grade 4 teachers will begin using Fundations to teach whole-group phonics lessons in order to close the learning gaps due to COVID-19. Grades 4-6 teachers will continue to implement Schoolwide Reading and Writing Fundamentals. Our PLCs will be based on data derived from our ELA benchmark assessments. Teachers will analyze data to uncover trends, inform instruction, and improve student achievement. In grades 3-6, teachers will be using our district-created writing benchmarks to incorporate units of study that require students to read and synthesize information from multiple sources to develop a grade-level appropriate narrative. Furthermore, LEH will utilize Schoolwide, Guided Reading books, Fundations, and Words Their Way to incorporate NJSLS-ELA standards. Teachers will also utilize the following supplemental resources to enhance their ELA instruction: Schoolwide Fundamentals, Fundations Fun Hub, Guided Readers, RAZ Kids, and NewsELA. Our teachers will continue to use Edmentum Exact Path which uses their students diagnostic scores to determine an instructional path for each student to work through independently. During the 2020-2021 school year, teachers administered a standards-based assessment via Linklt! Teachers will continue to utilize this assessment to determine strengths and areas in need of improvement, focusing on grade-level standards. Teachers will be provided professional devel |
| Social Studies | Bass River students attend Little Egg Harbor Schools. In Little Egg Harbor, Teachers in grades 3-6 will use Studies Weekly (newspaper and digital resources) to support instruction of NJSLS. Studies Weekly provides a pacing guide of standards-based instruction with an emphasis on primary sources, authentic text, videos, and connections to ELA standards. In grades K-2, teachers integrate social studies themes and concepts in their small-group reading instruction. Additionally, our K-2 classrooms use Scholastic S Let S Find Out and Scholastic News as a resource to meet the social studies standards. Teachers will continue to receive PD to learn how to effectively integrate social studies standards into their ELA lessons. Furthermore, the district has purchased Newsela as an instructional resource to integrate relevant Social Studies nonfiction text types into daily instruction. In Grade 6, Social Studies teachers utilize the Study.com resource and platform to infuse authentic primary sources and integrate valuable assessment opportunities for students. |

|-------------------------------------|--|
| 21st Century Life and Careers | Bass River students attend Little Egg Harbor Schools. The Little Egg Harbor School District incorporates 21st Century Life and Career Skills into all areas of our curriculum, integrating these skills and standards in all content areas across all grade levels. Our teachers have diligently worked to organically embed these standards into our existing curriculum, allowing our students to immerse and engage with these standards authentically. Our sixth grade conducts a career fair and research/present on various careers that exist in society. |
| Visual Performing Arts | Bass River students attend Little Egg Harbor Schools. For the 2021-2022 school year, all Little Egg Harbor students in K-6 will receive weekly art and music instruction by a certified art/music teacher. Students in the intermediate grades will be offered instrumental instruction. Third-grade students will receive instruction on how to read music and play the recorder. Our art and music teachers follow a district-approved curriculum, which utilizes New Jersey Student Learning Standards (NJSLS) and incorporates cross-curricular opportunities for our students. In addition, our curriculum guides embed The National Coalition of Core Arts Standards (NCCAS) National Arts Standards, as recommended in New Jersey's Model Curriculum. We also incorporate opportunities for our students to engage in the dance and theatre standards using a district-approved curriculum. Our fifth and sixth graders will also participate in a dance unit to meet the NJSLA Dance Standards. Additionally, our music and art teachers attended the annual state conference virtually requisite to their position to continue their professional learning and enhance their instructional repertoire. |
| Health and Physical Education | Bass River students attend Little Egg Harbor Schools. For the 2021-2022 school year, all K-6 students will receive two periods of physical education a week, in addition to a 40-minute health period. Students will receive a minimum of one hundred fifty minutes in Physical Education/Health instruction a week. Our District used the ¿Great Body Shop¿ as a resource to meet the PE/Health standards, in addition to the Social-Emotional Learning Standards. This summer, staff will collaborate to revise our curriculum to include the new NJSLS for Personal Growth and Development and Sexual Education. |
| World Languages | Bass River students attend Little Egg Harbor Schools. For the 2021-2022 school year, all K-6 students in Little Egg Harbor will receive Spanish instruction by a certified teacher twice a month. Our curriculum includes opportunities for students to engage in technology and problem-based learning. It will also include ways for our general education teachers to integrate Spanish into their everyday learning. We will also be purchasing additional digital resources for our Spanish teacher to utilize during her instructional lessons and activities. This summer, our world language teacher will collaborate with neighboring world language teachers to revise our curriculum to include the new NJSLS that are currently in draft form. |
| Technology | Bass River students attend Little Egg Harbor Schools. Little Egg Harbor students use instructional technology standards throughout all content areas. We purchased the upgraded edition of G-Suite for Education to allow teachers to use advanced features to better instruct and meet the needs of their students. To assist teachers with hybrid instruction we purchased BlueTooth headsets, wireless keyboard/mouse sets, and document cameras. Teachers receive ongoing professional development from the district's Instructional Technology Coach on how to use programs such as Google Meet, Google Classroom, Jamboard, and the rest of the programs in the workspace. All students K-6 have a Chromebook and all students in K-1 have touchscreen devices to help them transition to using a full device with a trackpad and keyboard. All classrooms are outfitted with an interactive flat panel that teachers can use in their instruction. K-2 teachers have utilized SeeSaw for Schools to help instruct and engage students while communicating with parents. Grades 3-6 teachers have also been taking advantage of NewsELA to help meet ELA, Science, Social Studies, and LGBTQIA+ standards. STEAM standards in grades 3-6 were updated over the summer to match the upcoming Computer Science and Design Thinking Standards. Grades K-2 STEAM standards will be updated this summer to match. To assess and monitor our students' growth we have used the Linklt and Exact Path programs. PLCs are held to review data and review the uses of these programs. We will continue to support our staff and students with job-embedded professional development from the Instructional Technology Coach and Lead Teacher's of Technology to help tackle any technology needs our staff has going forward. |

^{*}Does not include pension and social security paid by the State on-behalf of the district.

The information presented in columns 1 through 3 as well as the related descriptions of the per pupil cost calculations are contained in the Taxpayers' Guide to Education Spending and can be found on the Department of Education's Internet website: http://www.state.nj.us/education/guide/. This publication is also available in the board office and public libraries. The same calculations were performed using the 2020-21 revised appropriations and the 2021-22 budgeted appropriations presented in this advertised budget. Total Budgetary Comparative Per Pupil Cost is defined as current expense exclusive of tuition expenditures, transportation, residential costs, and judgments against the school district. For all years it also includes the restricted entitlement aids. With the exception of Total Equipment Cost, each of the other per pupil cost calculations presented is a component of the total comparative per pupil cost, although all components are not shown.

^{**}Federal and State funds in the blended resource school-based budgets.

| B TOTAL EMPLOYEE SHARE | | 0 | 0 | 0 |
| C TOTAL HEALTH BENEFITS COSTS | | 0 | 38,760 | 0 |

Above is a summary of the total health benefits costs for the district, showing district and employee shares.

Districts have the option of allocating direct benefits to the applicable programs and functions; the expanded reporting in the detailed allocations is summarized to the object level for comparison purposes.

P.L. 2010, c. 2 established a minimum contribution to be made by employees toward their health and prescription coverage (1.5% of the employee's salary) in contracts with start dates after May 21, 2010.

Subsequently, P.L. 2011, c. 78 further changed the employee contribution and benefit provisions.
